

Unit 10, p. 151

Fun fact

Sport and lifestyle

We may not all be into active sport but sport impacts on our lives, nevertheless. The clothing people wear on the sports field today may become the everyday casual wear of tomorrow.

Some examples from the past would be baseball hats, tennis shoes, boxer shorts, windcheaters / windbreakers, polo shirts and multi-pocket fishermen's vests.

Can you think of any more items of clothing we have borrowed from sport?
