

CLIL-ACTIVITY online 4

1 **Watch** the video “What is the difference between Directives, Regulations and Decisions?” and take notes. Then tick whether the following statements are true or false.

statement	true	false
a) Directives are directly applicable in all Member States.		
b) Regulations must first be transposed into national law.		
c) Secondary Union law includes Regulations, Directives, Decisions (= Resolutions), recommendations and opinions.		
d) A distinction is made between primary and secondary Union law.		
e) Recommendations and opinions are binding for individuals.		
f) Decisions are general binding legal provisions.		
g) Primary Union law is composed of the Treaties and the general principles of law.		
h) Decisions are only binding for individuals.
